Visual Guidance

- Include a collage of user-generated content (e.g., customers wearing the brand).
- Showcase a hashtag and a CTA to encourage tagging (#MyStyleWith[BrandName]).
- Use a friendly, engaging tone with colorful visuals to stand out.

Why This Works

This ad encourages interaction and builds community by highlighting user-generated content.

It leverages social proof, showing others enjoying the brand while inspiring new customers to participate. The reward motivates action, and the hashtag strategy amplifies reach organically.

It's especially effective for younger, social-media-savvy audiences.
